REMARKS

Claims 1-3, 5-11 and 13-17 have been rejected by the Examiner and are herein cancelled without traverse. Examiner has stated that Claims 4, 12 and 18-20 "are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form

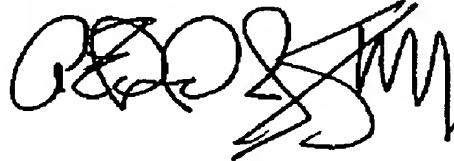

5 including all of the limitations of the base claim and any intervening claims."

The amended claims that are now independent represent previously submitted claims including all limitations of independent claims from which said claims depended. Other amended claims remaining depend upon amended claim zz'.

In view of the above, it is that the application is now in condition for allowance.
